

ABC Poem

Almost done the week
But stuck at home
Could not be more bored
Dumb is this virus, which
Entered in our lives
Failing all medicines
God help us fight
How will this end
I don't know
Just be calm and
Know this won't
Last long
Make healthy choices
No I'm not wrong
Oh friends
Pay attention
Queue is the key
Right in shape
Six feet apart
That will keep you safe
Unmask and you are gone
Vigil is required
Wash your hands
X times with soap and water
Yes that is it and you can have
ZZZZZ a good night sleep.
