|---|--|
| <p>Go to the Hoopla Digital homepage, www.hoopladigital.com, and click on Login in the top right corner.</p> |  |
| <p>If this is the first time you are using Hoopla scroll to the bottom of the login page and click on Sign Up Now.</p> |  |
| <p>Camden County Library, NJ will be the top choice when you are asked to select your library. Click on that box. On the next page enter your email twice, a password of your choosing twice, and your library card number. Click on "Sign Up Now."</p> <p>The next time you use Hoopla you will only need to enter your email and password.</p> |  |
| <p>At the top left of the Hoopla home page in the blue bar you will see the checkouts left for the month: you are allowed 12 checkouts each month in any combination of categories. Below that blue bar you will see any titles that you have currently checked out. Below that you will see images of some titles in each of the Hoopla categories: audiobooks, movies, TV, music, comics and eBooks. To see all the titles in that category click on Browse All. You can then see featured and popular titles, or browse by genre or category. If you want to search for a specific title, author, actor, movie, etc., enter your search at the very top of the page in the center.</p> |  |
| <p>The process for checking out any kind of material is the same. After you've found a title you are interested in you can add it to your favorites to check out at another time, share it on Facebook or Twitter using the share button at the top right, or you can check the title out. Click on the blue Borrow button.</p> |  |
| <p>You can then begin listening to, reading or watching your checked out item by clicking on the Read or Play (depending on the type of content) button. The title will also be added to the homepage under My Titles. Click on it there to continue with your Hoopla title when you return to the Hoopla website.</p> |  |
