

June 13, 2017

Dear Parents and Guardians,

We need your help! We are hoping to prevent “summer slide,” which is the loss of academic skills over the summer months due to not reading. Therefore, students have chosen books this week that they can keep for their own home libraries. Please encourage them to read and add them to their reading logs. They will also need to read other books this summer to add to their reading log.

Please have them bring the reading log back on Friday, September 8, 2017. EVERY student who returns his or her completed reading log will be invited to a reading celebration in September. In addition, your child may be eligible to win a prize.

Students entering 4th grade: Students have selected a project to complete with a book of their choice this summer. They have received the necessary information to complete it. Along with the reading log, the project is also due on Friday, September 8, 2017.

Also, we will be having our first *Battle of the Books* next year for fourth grade students. Please see the *Battle of the Books* information page to learn more!

Students entering 5th grade at LMS: In addition to the books that the students chose to keep, they also chose a book that they need to read and use to complete a project for the middle school. The project is due in September and will be graded. That book needs to be returned to the middle school in September.

Happy Reading!
